## How Frequencies Benefit the Human Body

It has been discovered that the cells in the body vibrate at various frequencies depending on their state of health. ZeroPoint has identified specific frequencies that match the optimum state of health for each of the body's organs and systems. These are called Blueprint Frequencies.

When a person ingests or applies Citrus Silk Oil Vera, their body begins to 'resonate with the frequencies' that are in the Citrus Silk through a process called Biophotonic Entrainment. This is similar to a tuning fork that will pick up the frequency (sound) of another tuning fork in its vicinity. When they are close to one another, they will both begin to 'resonate at the same frequency'.

When the organs and systems of the body are attuned with the frequencies that are in the Citrus Silk, the body returns to a balanced state. The body is able to protect and heal itself when it is in balance.

## Testimonials

*"I could feel & see the Citrus Oil Vera detoxifying effects the first week. The second week the fine lines started to vanish. And with continual use I am noticing the thickness of my skin is increasing, and it is firmer." - Brenda G., VA*

*"Computer radiation made my face red. With Citrus Silk, I don't get that." - Lynne O., PA*

*"My body tends to be acidic, and I am always looking for ways to balance my pH level. One day I thought I would add a few drops to my water to see what it tasted like. Shortly after drinking the water, I checked my pH and it was normal! Since then I have found that adding 4-5 drops to my water each morning keeps my pH level in the healthy range day after day. It works great and I love it!" - Angie B., NV*

*"Sports injuries during my youth restricted my right shoulder mobility for years. I couldn't raise my right arm above shoulder height and it was often painful. A few minutes after rubbing just 2 sprays of Citrus Silk on my hands and face I heard and felt a gentle "pop" in my right shoulder and it felt loosen up. I wiggled it around and raised it over my head and was able to touch my left shoulder for the first time in years! It's been 3 weeks now and I have complete mobility in this shoulder and no pain." - Dale K., ME*

*"I started using Citrus Silk Oil Vera in February 2x daily- morning and evening. I was using it as a skin moisturizer, 3-5 squirts on my hands and then applying it to my face. I would then use an extra squirt on my eyelid, as I had a growth in the corner of my bottom lid that had been there for about a year. Within a couple of weeks I noticed that the growth was getting smaller and within 6-8 weeks it was completely gone! It did have one side affect, however- my crows feet went with it! I was amazed when I realized that the crows feet on the eye to which I was applying the extra drop had completely disappeared. I can't wait for the other side to catch up!" - Freda P., S FL*

*"On Memorial Day, I planted the last bed in the vegetable garden. By the time I finished, I was covered in bites, despite using a natural insect repellent. Some of the welts were larger than a quarter. The histamine reaction in my body was making me feel miserable, and my usual post-treatment for bites was not working. I scratched myself into a frenzy, and canceled my evening barbeque plans. I decided to try the Citrus Silk Oil Vera topically, but first I sprayed some in my mouth. WOW! Within SECONDS the itch began to calm down, as the sub-lingual absorption delivered the frequencies to my system immediately. I took a photo of one of the giant welts on my arm, and by the next morning all two dozen welts on my legs had disappeared. Usually when I am served up as "Mosquito Happy Hour" I have evidence for a day or so from the scratching. This time there was none. Thank You." - Penelope T., MD*

*"My energy depletes quickly when exposed to excess chemicals and emf's. I have noticed a huge difference when I apply Citrus Silk. The other day while pumping gas, I felt weakened, but after a spray of Citrus Silk my energy was restored. Then recently while in a high tech store after about 20 minutes I felt my energy draining and applied Citrus Silk. I felt better right away and shopped until I was done. I just love the benefits I feel from Citrus Silk that allow me feel balanced and function easily in the presence of all the environmental pollution on the planet. Thank-you!" - Robin G., FL*

*"My husband has been using Citrus Silk on his moles and sun damage spots on his face and we can both see a huge difference in how they look - much lighter, and his skin has a glow about it. I also used the Mint Matrix on my feet at night before going to bed. I frequently have severe cramps - since using it, I have had no cramping and slept very soundly. Thank you so much." - Edi M., AZ*

*"My Chihuahua became unresponsive to any flea treatment -- Frontline, Advantage, Comfortis. All of these products seemed to worsen his health and further exacerbate his ability to ward off fleas. Aria suggested that I apply Oil Vera Wellness Solution, Mint Matrix and Citrus Silk dissolved in a small amount of water and spritz it over his fur while rubbing it into his skin. I was skeptical and wondered if he would tolerate the smell. Surprisingly, he calmed down and seemed to enjoy having the products put on him. In about ten minutes I looked and there were NO little black hopping things." - Joanna R.*

*"Among the many amazing uses of the Oil Vera Wellness Solutions, I have personally found them to be wonderful in assisting in weight loss. Every day for a month, I took a few drops of the Mint Matrix by mouth in the morning and the afternoon, and applied the Citrus Silk to my hands and face every morning, and mixed one spray of the Citrus Silk into my water bottles throughout the day. I noticed that I simply wasn't hungry, and without the hunger cravings, I was much less likely to snack on fast food or drink sodas. With no major change in diet or exercise, in just one month I lost 17 pounds and am down two and a half pant sizes. More importantly, the weight came off and it's staying off! Thank you ZeroPoint!" - Brian Z., FL*
